Re: Mississippi Children's Museum tiles

Dear Larry,

I just wanted to drop you a quick note to let you know how pleased we are with the work done on our donor tiles by you and your company. Since December 2010, we have seen over 100,000 visitors and have received many compliments on the craftsmanship and color of the tiles, especially from those individuals and families depicted on them.

During the process we appreciated your honesty and straight forward approach to our project. Being a small nonprofit, money is always tight. We feel we were treated fairly and the price for the 1,000 tiles we received was very fair, and the quality is excellent. Also, whenever there was a problem you and your staff handled it promptly and equitably.

If we ever institute another tile campaign, we will certainly contact you to produce the final product. Thanks again!

Sincerely,

Johnny Kroeze
