Dear Larry,

I wanted to take the time and thank you and the rest of the RecognitionArt team for all the great work that you have done for the West Chester Area Senior Center over the years. Not only has the quality of your product been top notch each and every time, but so has your customer service. You've always been quick to respond to any request we've had and have always been helpful discussing the product and pricing options that are most suited for our nonprofit needs.

We would absolutely recommend RecognitionArt to an organization looking to create or revamp a donor recognition display.

We look forward to working with you again in the future!

Sincerely,

Kathy Sullivan  
Executive Director
