Larry Greenwald
Principal
Recognition Art

Dear Larry,

I wanted to take this opportunity to thank you and your team for designing our donor wall display for Boys & Girls Clubs of Tampa Bay. It's fresh, contemporary and will be easy to update in the future. It was such a pleasure to work with you and your staff. We have received great feedback from our board of directors on the display.

We would highly recommend using Recognition Art to any organization looking to add or update a donor recognition display.

Thank you again and I look forward to working with you again in the future!

Warm regards,

Brenda Browning
