Recognition Art  
Mr. Larry Greenwald

Dear Larry:

It has been a pleasure working with Recognition Art on the Donor Recognition displays located at Butler Health System.

I have found the service to be great from the initial stages to the final proofing and ordering. The displays have always looked professional and are proudly displayed in various locations at Butler Health System.

Please feel free to give the BHS Foundation as a reference to your prospective clients.

Sincerely,

A handwritten signature in black ink that reads "Kris Bowser". The signature is fluid and cursive, with the first name "Kris" and last name "Bowser" clearly distinguishable.
