Dear Larry and the Recognition Art staff,

We want to thank you for your sincere dedication to our donor recognition project. Your insight, hard work, flexibility, and innovative thought and practice really gave us the guidance we needed while initiating our Founder's Circle program. It was immediately apparent that you and your employees had the knowledge and experience to create a donor recognition program from any idea in one's imagination.

The plates we used as our "plaques" to hang on our wall, as well as give to our top donors as a token of our appreciation were true works of art – we received many compliments on them and our donors were thrilled to receive them. The wall centerpieces also looked fantastic. They were pristine! We look forward to working with you in the future as we expand our program to add new donors.

I fully recommend your services to other Food Banks or any non-profit looking to recognize the donors who help to sustain the extraordinary work we all do. Below is a picture of our Founder's Circle display.

Thank you again,

Sincerely,

Liz Reasoner
Executive Director
